**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't allow deregulation that will allow the big telephone companies to levy a massive price hike on broadband customers.

I'm a small business owner who supports broadband competition.

A healthy competitive market is the American Way...

- It encourages innovation
- It keeps prices competitive
- It gives us a choice, which is what pushes companies to develop competitive technologies at reasonable prices.

Broadband is critical to my business as a video creator...without fiber speeds my business will suffer.

Thanks for listening.
